Directions

From the A5:

Take the Milton Keynes Central and East exit, turn eastwards (left from the north, right from the south) towards Central Milton Keynes onto the A509 (H5 Portway).

Carry straight on over the next roundabout. At North Witan roundabout, take the third exit onto Witan Gate. At the first traffic light, turn left into Silbury Boulevard. Almost immediately, turn right into Upper Fifth Street. Take the third turning on the right, into a short cul-de-sac.

Keens Shay Keens MK office is about half way down, on the right, just past an opening between two office blocks. There are two marked parking bays reserved for visitors in the front of the office. If the reserved parking spaces are both taken, there is pay-and-display parking in the access road to the south (running parallel to the cul-de-sac).

From Junction 14 of the M1:

Turn westward (right from the north or left from the south) onto the A509. At the next roundabout, called Northfield, take the third exit onto H5 Portway (also, still the A509). Carry straight on at 6 successive roundabouts (Pineham, Pagoda, North Overgate, North Skeldon, Belvedere, and North Secklow).

At North Saxon roundabout, turn left onto V7 Saxon Gate. At the first traffic lights, turn right into Silbury Boulevard. Before the next traffic lights, turn left into Upper Fifth Street. Take the third turning on the right, into a short cul-de-sac.
